

Wilder Summary of Benefits (Effective January 1, 2025)

Benefit	Description	Effective Date	Cost to You
<p>Medical</p>	<p>You and your dependents may enroll in one of the Foundation’s group medical plan options. Covered expenses include physicians, chiropractors, hospital care, medication and other services.</p> <p>Achieve PPO Medical Plan: This is a PPO plan that requires use of the HealthPartners Achieve network in order to receive in-network benefits. A preferred designation with lower office visit co-pays exists for employees who participate in an annual wellness program (new employees automatically receive the preferred designation for the remainder of the calendar year in which they were hired and for the following calendar year if they are hired after July 1). Preventive care is covered at 100%. You will have a \$30 co-pay for office visits. Maximum out of pocket expenses are \$4,500 for individual or \$9,000 for family per calendar year. Out-of-network providers are also available at a higher out-of-pocket cost.</p> <p>Open Access PPO Medical Plan: Plan benefits are the same as the Achieve PPO medical plan, but those who enroll will pay a higher premium to access any provider in the HealthPartners Open Access network with in-network benefits.</p> <p>Achieve Empower HSA Medical Plan: In this plan you will be covered by a high deductible health plan paired with a health savings account where you can make pre-tax contributions. Wilder also makes contributions to your health savings account. The plan requires use of the HealthPartners Achieve network to receive in-network benefits. A preferred designation with a lower deductible exists for employees who participate in an annual wellness program (new employees automatically receive the preferred designation for the remainder of the calendar year in which they were hired and for the following calendar year if they are hired after July 1). Preventive care is covered at 100%. You will have a \$3,300 (individual) or \$5,200 (family) deductible for non-preventive expenses. Maximum out of pocket expenses are \$7,000 for individual or \$12,000 for family per calendar year. Out-of-network providers are also available at a higher out-of-pocket cost.</p> <p>Open Access Empower HSA Medical Plan: Plan benefits are the same as the Achieve Empower HSA medical plan, but those who enroll will pay a higher premium to access any provider in the HealthPartners Open Access network.</p> <p>Note: Must be scheduled to work at least 56 hours per pay period to be eligible for this benefit. Please review the summary plan description for complete details of coverage.</p>	<p>Coverage becomes effective on your first day of employment. (Provided application is completed within 30 days of the date of hire.)</p>	<p>Wilder pays between 55% and 70% of the cost of premiums for employee health coverage. Cost is based on your scheduled hours, the number of covered dependents, and your health plan choice. The Empower HSA Medical plan meets affordability requirements for single coverage under health reform law.</p>
