

Introducing Wilder's Policy Family Advisory

The **Policy Family Advisory** will provide leadership and support in the creation of the 2024 Public Policy Agenda. The Advisory will guide Wilder on its advocacy efforts at the Capitol as we work to eliminate barriers and implement policies that improve lives in St. Paul and beyond! Advisory members will collaborate with service providers, community members, and Wilder's Public Policy team over three meetings to identify advocacy priorities and policy areas that reflect the needs of our communities.

YOU are the perfect fit for the Policy Advisory if you are:

- currently receiving or have received services at Wilder, OR you have a family member (biological or chosen) who is receiving/has received Wilder services.
- willing to share your lived experience as we determine what state policies are working well and/or failing members of our community.
- committed to joining our September, October, and early December meetings (exact time will be determined based on majority availability of Advisory members).
- interested in how public policy impacts the lives of our community members.
- want to know more about Wilder's advocacy efforts.

Why Join the Policy Family Advisory?

- Take a leading role in a non-profit that exists to serve you and your neighbors.
- Learn how policy is interconnected with nearly all aspects of life.
- Connect with members of Wilder's growing advocacy and leadership network and work with other passionate community leaders.
- Learn about other opportunities for leadership, advocacy, and skill development.

Scan the QR code to apply AND/OR recommend another to be a member of the Family Advisory. Please help us spread the word and send it to anyone you think would be interested!

Applications close on Wednesday, August 9, 2023.
