
YOUTH LEADERSHIP INITIATIVE

DEVELOPING A NEW GENERATION OF STRONG EFFECTIVE LEADERS

~ Informational Sheet ~

Youth Leadership Initiative (YLI) is a multicultural leadership program designed to help youth develop strong, effective leadership skills to work in diverse community settings. The program assists youth in learning about themselves, working with others, and engaging in meaningful action. The six building blocks of YLI are learning, community, action, culture, character, and leadership.

Program Goals Include:

1. Develop youths' understanding of themselves and their cultures.
2. Equip youth with the knowledge, skills and qualities needed for leadership.
3. Encourage youths' appreciation for the culture of others and promote cross cultural leadership.
4. Build youth leadership through meaningful engagement in real community issues.

Training Topics

A range of topics are covered over the course of the program. We use an experiential training approach where participants engage in interactive learning activities, learn from one another, and reflect on the process. A sample of topics include:

- Communication/cross-cultural communication
- Inclusion/cross-cultural understanding
- Culture, history and traditions
- Problem solving/conflict resolution
- Project planning
- Academic success

Program Activities

- **Leadership Retreats** – During multicultural retreats, youth explore concepts of leadership, strengthen cross cultural relationships, and participate in experiential learning activities that focus on working effectively with others.
- **Cultural Exploration Sessions** – During these weekly sessions youth meet in cultural groups to explore their culture and heritage and its impact on their leadership style and personal development.
- **Action Teams** – Weekly team meetings centered around learning about topics of interest to the youth. Each team develops service projects around their passions.
- **School Support** – Weekly session for participants who need help with homework, resumes, scholarship searches and other academic support. Youth will receive 1:1 support from staff and volunteers.

See reverse side for specific dates.
