

# Homeless service use in Minnesota

*Continuum of Care region tables,  
federal fiscal year 2010*

**May 2011**

This report is a companion to a longer narrative report, *Homeless Service Use in Minnesota: Emergency shelter and transitional housing, federal fiscal year 2010*, available [www.wilder.org/report](http://www.wilder.org/report). Please see that report for definitions, a detailed explanation of methodology, and additional background on homelessness in Minnesota.

The sum of unduplicated people served in the regional tables may differ somewhat from the sum of unduplicated people in the statewide tables because continuum of Care region tables are not unduplicated across regions.
