

Homeless service use in Minnesota

*Continuum of Care region tables,
federal fiscal year 2008*

August 2009

This report is a companion to a longer narrative report, *Homeless Service Use in Minnesota: Emergency shelter and transitional housing, federal fiscal year 2008*, available www.wilder.org/report.html?id=2191. Please see that report for definitions, a detailed explanation of methodology, and additional background on homelessness in Minnesota.

Anoka County Continuum of Care

1. Anoka County Continuum of Care

Reporting Period: 10/1/07 - 9/30/08	Emergency Shelter – Families	Emergency Shelter – Individuals	Transitional Housing – Families	Transitional Housing – Individuals
Number of beds in HMIS (% of total beds)	no beds	16 (100%)	90 (100%)	10 (32%)
Number of beds not in HMIS	-	0	0	21
Number of people (families) served on an average night	-	11	68 (23)	7
Number of people (families) served on the night of:				
Tuesday, October 31, 2007	-	10	66 (23)	3
Wednesday, January 30, 2008	-	14	62 (21)	4
Wednesday, April 30, 2008	-	13	77 (24)	7
Wednesday, July 30, 2008	-	10	74 (23)	10
Average utilization rate	-	69%	76%	70%
Turnover rate (the average number of people to use each bed)	-	9.44	1.19	2.00
Median number of nights in shelter	-	13	287	171
Unduplicated number of people (families) served	-	151	107 (35)	20

Source: Minnesota's HMIS (aggregate data submitted to HUD as part of the Annual Homeless Assessment Report (AHAR) project). "Number of beds" is taken from the continuum's annual Exhibit 1 application to HUD, supplemented by information received from programs during the process of assembling data for submission to HUD for the national AHAR. Bed capacities should be considered approximations, since many programs can flex actual capacity between individuals and families, and to accommodate various family sizes.

2. Anoka County Continuum of Care – extrapolated data^a

Reporting Period: 10/1/07 - 9/30/08	Emergency Shelter – Families	Emergency Shelter – Individuals	Transitional Housing – Families	Transitional Housing – Individuals
Number of people (families) served on the night of:				
Tuesday, October 31, 2007	-	10	66 (23)	-
Wednesday, January 30, 2008	-	14	62 (21)	-
Wednesday, April 30, 2008	-	13	77 (24)	-
Wednesday, July 30, 2008	-	10	74 (23)	-
Unduplicated number of people (families) served	-	151	107 (35)	-

Source: Minnesota's HMIS (aggregate data submitted to HUD as part of the Annual Homeless Assessment Report (AHAR) project).

^a Estimates of the number served in all beds, based on the utilization rates of programs participating in HMIS in this region. The remaining tables for this Continuum are only reported for categories where bed coverage reaches at least 50 percent.

3. Anoka County Continuum of Care – Demographics (not extrapolated)

Characteristics	Persons in families in Transitional Housing	Individuals in Emergency Shelters
Number of Sheltered Homeless Persons	107	151
Gender of Adults		
Female	88%	29%

Wednesday, July 30, 2008	7 (3)	11	33 (9)	6
Average utilization rate	100%	67%	79%	200% ^a
Turnover rate (the average number of people to use each bed)	12.8	10.31	2.00	3.67
Median number of nights in shelter	20	10	150	239
Unduplicated number of people (families) served	64 (18)	107	96 (24)	11

Source: Minnesota's HMIS (aggregate data submitted to HUD as part of the Annual Homeless Assessment Report (AHAR) project). "Number of beds" is taken from the continuum's annual Exhibit 1 application to HUD, supplemented by information received from programs during the process of assembling data for submission to HUD for the national AHAR. Bed capacities should be considered approximations, since many programs can flex actual capacity between individuals and families, and to accommodate various family sizes.

^a Bed utilization exceeds 100 percent due to use of vouchers.

Southeast Continuum of Care

55. Southeast Continuum of Care

Reporting Period: 10/1/07 - 9/30/08	Emergency Shelter – Families	Emergency Shelter – Individuals	Transitional Housing – Families	Transitional Housing – Individuals
Number of beds in HMIS (% of total beds)	63 (83%)	22 (46%)	146 (85%)	21 (100%)
Number of beds not in HMIS	13	26	26	0
Number of people (families) served on an average night	50 (15)	10	126 (37)	21
Number of people (families) served on the night of:				
Tuesday, October 31, 2007	64 (20)	8	121 (35)	22
Wednesday, January 30, 2008	44 (12)	15	136 (39)	21
Wednesday, April 30, 2008	57 (17)	9	125 (39)	20
Wednesday, July 30, 2008	57 (18)	11	126 (39)	23
Average utilization rate	79%	53%	86%	100%
Turnover rate (the average number of people to use each bed)	6.51	7.11	1.62	1.86
Median number of nights in shelter	27	7	198	243
Unduplicated number of people (families) served	410 (119)	135	236 (70)	39

Source: Minnesota's HMIS (aggregate data submitted to HUD as part of the Annual Homeless Assessment Report (AHAR) project). "Number of beds" is taken from the continuum's annual Exhibit 1 application to HUD, supplemented by information received from programs during the process of assembling data for submission to HUD for the national AHAR. Bed capacities should be considered approximations, since many programs can flex actual capacity between individuals and families, and to accommodate various family sizes.

56. Southeast Continuum of Care – extrapolated data^a

Reporting Period: 10/1/07 - 9/30/08	Emergency Shelter – Families	Emergency Shelter – Individuals	Transitional Housing – Families	Transitional Housing – Individuals
