

Want to get involved with efforts to improve maternal health outcomes for Black and Brown populations in Minnesota?

JOIN THE SAFER BIRTHING CONSORTIUM!

As a member, you will:

- Focus on advocacy and program development with key family health stakeholders
- Develop resources to support Black & Brown Birthing People
- Join a network of likeminded people who act quickly to support vulnerable communities in the Twin Cities & Greater Minnesota
- Meet biannually (2x/year)

***Interested? Email Donyella Smith,
donyella.baker@wilder.org***

Looking to serve in an advisory role for a state-funded maternal health grant?

Join the ICHRP Advisory Group! This subgroup of the Safer Birthing Consortium will provide tangible guidance for the Integrated Care for High-Risk Pregnancies (ICHRP) program. This group will meet quarterly (4x/year) throughout the current grant cycle (July 2026 - July 2028)
